FLASH DRIVES

Each Executive Council Member, Full-time Trade Union Representative and Delegate at the Congress received a "Flash Drive" in his Congress bag.

The "Flash Drive" has been loaded with policies from the different companies in which recipients work.

The specific "Flash Drive" remains the property of UNTU and must be used for UNTU purposes.

When a recipient of the said gadget ceases to execute the function of a Trade Union Representative, Full-time Trade Union Representative or Executive Council Member, the said gadget must be handed to the successor for further use.

Your co-operation in this regard will be highly appreciated.

UNTU Greetings.
