RECRUITMENT DRIVE

An urgent reminder that the current "Recruitment Drive" that has very lucrative prizes up for grabs for those loyal members that walk the extra mile to recruit employees who do not belong to UTATU SARWHU, closes on Friday 5 September 2014.

Having said the above it is important to note that a mere two (2) days remain to recruit more members and possibly win one of the very lucrative prizes.

It is necessary to mention that the recruitment has to date gone off very well, yet there are still many employees at the companies that we organise in that do not have membership with us.

These non-members are paying more money (albeit agency fee or at another Union) and do not enjoy any substantive benefits – these facts must be brought to their attention which will surely convince them to join UTATU SARWHU where they become entitled to expert advice, professional assistance and very lucrative and substantive benefits.

Furthermore we take this opportunity to thank those individuals who have so diligently recruited large numbers of non-members for our pro-active and progressive Union that always places the interest of the members ahead of everything.

UTATU SARWHU Greetings.
