

MERRY CHRISTMAS

UNTU SEASON'S GREETINGS

UNITED NATIONAL TRANSPORT UNION

2024

PRESIDENT: WIELLIGH MEYER

2024 has come to an end. More than ever, this was a year where we saw changes and challenges. It is time that we put all that behind us and place our focus where it needs to be, with our loved ones.

The Tomorrow is not guaranteed so please take the time to appreciate the small things in life, and tell them that you love and appreciate them. It is the season of giving, those who can please make a difference in a stranger's life by giving something, a compliment goes a long way, let someone cut in front of you in the long queue, give up your seat at the bus stop, pay the toll fee for the car behind you. For those who is travelling please do remember to be safe on the roads.

Enjoy your well-deserved rest and see you all back in the new year.

Christmas greetings,
President.

Wielligh Meyer.

Undeniably the entire World celebrates CHRISTMAS, but we need to focus on the reason for this season, and there is ONLY ONE correct answer and that is JESUS CHRIST. We all set aside everything and choose to celebrate CHRISTmas.

As this is a season of giving, let us continue giving the LOVE and support to each other and carry this spirit of LOVE into 2025. Remembering that JESUS CHRIST has shown us this LOVE when HE died, hung on the cross and rose on the third day.
