BOMBELA: WAGE NEGOTIATIONS 2012/2013

Negotiations regarding the above re-convened on Wednesday, 27 June 2012 at Midrand.

Management, once again was adamant to maintain its offer of 6.4%, therefore no agreement could be reached between the parties.

Both parties agreed that they have reached a deadlock on the wage negotiations.

A dispute will be declared and it is anticipated that a Conciliation process will take place on 12 July 2012, subject to the availability of the TOKISO Panellist.

Members will be kept abreast of any developments
